

## **Glen Cook**

Glen Cook is the author of about 50 books including the popular *Black Company* series. He has been blessed with a wonderful wife and marvelous children and has enjoyed most every minute of a writing career operating, in the USA, consistently above the Mendoza line. His work has been translated into most European languages, Hebrew, and Japanese, and is especially popular in France, Poland, and Russia. This will be his 29th consecutive Conquest.
