

Rob Chilson

Rob Chilson was born a long time ago (longer every time someone asks) and has written a lot of books and stories, many of which have been published. He's been around Midwestern fandom so long, it seems strange to be asked for a bio. For those who are counting, he hasn't missed a ConQuest since BYOBcon in 1976. The past couple of years he's been very busy and has had little time for fannish activity or even (gasp) writing. Hopefully, that project is coming to an end. Looking forward to another 30 years with ConQuest.
