

Samantha Star Straf

Star is one of the cornerstones of social networking and has been attending conventions regularly for 25 years, has been Fan GoH at both Kansas City conventions and at Congenial, and has worked on everything from 100 person Conamazoo to Worldcon. She was a constant party babe for the KC 2000 bid. She works as a computer programmer and has been living in Lawrence for the last 9 years while Pooch worked on his PhD, but now they are making plans to move once he finds a job.
